

organ and tissue

donation facts:

ONE DONOR

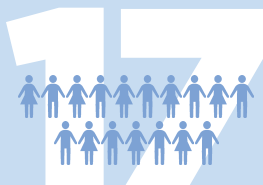

can save **8**
lives through
organ donation
and improve
more than **75**
through tissue
donation.

**There is
no age limit
for donation.**

**All major religions
support donation
as a personal decision
and generous act
of kindness.**

**Neither organ
nor tissue
donation will
impact funeral
arrangements.**

17 PEOPLE

die each day
because the organs
they need are not
donated in time.

**More than
39,000 lives
are saved
every year in
the United States
thanks to the
generosity of
organ donors.**

**Donation places no
financial burden on
the family or estate
of the donor.**

**LifeLink is committed to educating
and inspiring the public to save lives
through organ and tissue donation.**

We encourage everyone to join their
local organ, tissue and eye donor registry.
Thanks to the generosity of donors,
individuals are given another opportunity
to do what they love and experience a
fulfilling life—you too have the power to be
part of a lifesaving story by registering today!

workplace partnership program

LifeLink is a nonprofit community
service organization that recovers
life-saving organs and tissue for
transplant therapy.

*Dara —
Lung & Kidney
Recipient*

LifeLink®

If you could help save someone's life, would you?

We invite you to do just that by joining the LifeLink Workplace Partnership Program, which encourages businesses and organizations to educate their employees, membership and/or clients about the need for organ, eye and tissue donation.

The LifeLink Workplace Partnership Program is affiliated with the National Workplace Partnership for Life effort put forth by the U.S. Department of Health and Human Services, and includes thousands of corporations, small businesses, community groups and organizations. Join us, and share the life-saving message of organ, eye and tissue donation.

Implementation Ideas

- Invite LifeLink to host an information table at your organization's existing **health/benefits fair**.
- Invite LifeLink to staff an **information table in a high traffic area** within your company for a short period of time on an agreed upon date.

Will —
Heart/Liver
Recipient

- Invite LifeLink to **host a lunch and learn** in-person or virtually for your staff. We will bring lunch for your staff or clients and provide a presentation about saving lives through organ and tissue donation.
- LifeLink can provide **custom programs** for your staff or clients.

Program Benefits

BRONZE – partner with LifeLink at least once in a calendar year and receive:

- certificate of appreciation
- partnership recognition on Facebook and LinkedIn
- recognition in quarterly newsletter

SILVER – partner with LifeLink twice in a calendar year and receive:

- all the Bronze benefits
- two additional recognition posts on Facebook and LinkedIn
- recognition on the Workplace Partner webpage

GOLD – partner with LifeLink three times or more in a calendar year and receive:

- all the Bronze and Silver benefits
- award recognition at the end-of-the-year banquet
- three additional recognition posts on Facebook and LinkedIn
- inclusion in recognition press release on LifeLink Foundation website
- use of the “LifeLink Donation Education certified” logo

**LifeLink provides
all materials free of charge.**

A LifeLink representative will assist you in planning activities and supply you with high-quality educational materials—all at no cost to you.

Alberto —
Kidney Recipient

Donation Education

Many employers provide health and wellness information to their employees.

The LifeLink Workplace Partnership Program will enhance any current employee health and wellness efforts.

We can provide factual information and address common misconceptions surrounding organ, eye and tissue donation. LifeLink volunteers are also available to share how donation and transplantation has personally affected their lives. In addition we will share how individuals can help save lives by registering their donation decision on their local state registry.

There is **NO fundraising component** associated with this partnership, however, we realize that some organizations and individuals are eager to support our life-saving mission and would gladly share information about LifeLink® Legacy Fund, a separate but affiliated non-profit organization that supports the mission of LifeLink Foundation.

Every day throughout the United States grateful individuals receive a second chance at life thanks to the generosity of an organ donor.
